Seiji Morimae is a fifth generation bonsai artist who traces his family's horticultural business for over 500 years. International Bonsai is a proud North American sales agent for **S-Cube** in Japan. Check out the fine quality and unusual items on the **S-Cube** web site, Seiji Morimae's business in Saitama Prefecture. It is easy to ship suiseki, scrolls, containers, display tables and other art objects. However, it is not possible to ship live bonsai to the United States.

Please check the numerous offerings on **S-Cube** web site and let me know if you have any questions or if you are interested in any items by their stock number. Check often, since new objects are added frequently.
